Escova térmica de luz vermelha e infravermelha
Rode en infrarode thermische borstel
Röd och infraröd värmeborste
Infällad röd infrarød termisk børste
Rød og infrarød varmebørste

ADDED PROTECTION WHILE STYLING.

1. Start with dry, clean hair. For optimal results, ensure hair is completely dry before using the stylpro red & infrared thermal brush.
2. Section your hair, ensuring heat penetrates through patients with cardiac devices should consult with their doctor before using this device.
3. Depending on your styling, plug the UK or EU power cord into the socket.
4. Press the power on/off button to turn on the device.
5. Take care, allow the brush to heat up to the desired temperature. Always start on the lowest setting.
6. Allow the device to heat up to the desired temperature.
7. Starting with hair into sections, place the brush near to the roots, pull through and then complete the styling. Apply tension and repeat as necessary for your desired style. Do not leave the brush in one area.
8. Apply desired finishing product to hair for extra shine.
9. Press the power on/off button to turn off the device. Leave to cool down before packing away.

CLEANING:

1. Ensure device is switched off and unplugged before cleaning. Allow the brush to cool down before handling.
2. Gently remove any hair strands caught in the bristles using a comb or your fingers. Take care when removing caught hair strands to avoid damaging the bristles.

SAFETY INFORMATION :

Warning Red & Infrared: This device has a heated barrel and is intended for styling hair. The heated barrel and the surrounding parts will get very hot; you must keep the device by the handle and tip and to avoid injury. Always switch off and unplug the device after using and let it cool down before storing.

THERMAL BRUSH. The glove should be worn on the hand that is not holding the base of the hairbrush for added protection while styling.

Important

Red Light products are not intended to diagnose, treat, cure, or prevent any disease.

Red Light products are not intended as wellness / fitness products that are designed to improve health, they are designed as "General Wellness" home use products.

SAFETY CONSIDERATIONS:

- Use of this device in any way other than those described in this manual voids the warranty and could result in serious injury.
- The STYLPRO® **RED & INFRARED THERMAL BRUSH** is for home use only and not intended for commercial use.
- Do not use this device if you have a pacemaker.
- Do not let the flannel of the brush touch skin or eyes.
- Do not leave the device on when not in use.
- Do not store the brush with flammable materials.
- Do not leave unattended.
- Do not place on heat sensitive surfaces and materials.
- Do not place on surfaces where ventilation may be impaired.
- Do not wash electrical parts with water or liquids.
- Do not directly touch the device plug or switches with wet hands.
- Do not use while bathing or showering.
- Do not pull, carry, or lift the device by its power cable.
- If the power cable is damaged, do not use the device.
- Do not use the device if it has been dropped.
- Do not use the device near water or liquids.
- Do not use on or near heated surfaces.
- Do not attempt to open the device for repair, this includes: There are no user serviceable parts.
- Do not use or store your device in hot locations such as: Saunas, Steam rooms or Ovens.
- Do not use the device with flammable hairspray or aerosols.
- Do not use the device if you spot any smoke, sparks, sounds of 'sizzling' or crackling or if it lists too fast to touch as these are indications of circuit-breakers tripping then contact a registered STYLPRO® service centre.
- Keep the power plug and cord away from heated surfaces. Don't leave switched on and unattended when in use.
- Once you've finished using the heated hairbrush, switch off and unplug from the power socket. Allow it to cool.
- Do not use a heated hairbrush while you're in the shower, bath, or near a sink full of water.
- Do not use the device if it has come into contact with water - Unplug it straight away and then contact a registered STYLPRO® service centre for repairs.
- Do not use if you've just given yourself a shower or bath.
- Do not unplug your heated hairbrush from the mains when your hands are wet.
- Do not rinse or submerge in water and ensure that your hands are dry when in use.
- Keep the power plug and cord away from heated surfaces.
- Don't leave a heated hairbrush switched on and unattended when not in use.

IMPORTANT SAFETY INSTRUCTIONS WHEN USING ELECTRICAL APPLIANCES:

1. READ ALL INSTRUCTIONS BEFORE USING THE APPLIANCE.
2. THIS PRODUCT SHOULD NOT BE USED BY CHILDREN, THE ELDERLY, PERSONS WITH REDUCED PHYSICAL, SENSORY OR MENTAL CAPABILITIES OR LACK OF EXPERIENCE AND KNOWLEDGE UNLESS THEY HAVE BEEN GIVEN SUPERVISION OR INSTRUCTION CONCERNING USE OF THE APPLIANCE BY A PERSON RESPONSIBLE FOR THEIR SAFETY. CHILDREN SHOULD BE SUPERVISED TO ENSURE THAT THEY DO NOT PLAY WITH THE APPLIANCE.
3. TO PROTECT AGAINST RISK OF ELECTRIC SHOCK, DO NOT IMMERSE CORD, PLUGS, OR APPLIANCE IN WATER OR OTHER LIQUID.
4. CLOSE SUPERVISION IS NECESSARY WHEN ANY APPLIANCE IS USED BY OR NEAR CHILDREN. THIS APPLIANCE IS SUPPLIED FITTED WITH A BS1363 MOULDED PLUG. IF THE FUSE IN THE PLUG HAS TO BE REMOVED FROM THE APPLIANCE PLEASE ENSURE THAT IT IS REPLACED WITH A 3AMP ASTA APPROVED FUSE TO BS1362. IF IN DOUBT CONSULT A QUALIFIED ELECTRICIAN OR ANY OTHER TYPE OF PLUG IS USED A 5A FUSE MUST BE FITTED.

WARNING BURN RISK!

During and after use, the barrel of the device and the surrounding parts will get very hot; you must not touch the barrel, only hold by the handle and tip, let the barrel of the brush touch your hands, skin or clothing. Always switch the device is off before setting down. Set down the brush onto a heat resistant surface and ensure it is out of reach of children. Do not look at the barrel of the device as the LEDs are very bright and much of the LED's light is invisible, look at the light on the product in your hair or on your hands. We recommend that you wear the protective glove provided with the STYLPRO® Red & Infrared Thermal Brush. The glove should be worn on the hand that is not holding the base of the hairbrush for added protection while styling.

Important

THIS APPLIANCE CAN ONLY BE USED FOR DRY HAIR. DO NOT USE ON WET HAIR.

DISINFECTANT SPRAYS.

1. We do not advise using this device if you are suffering from any open sores or skin damage such as in the last 12 months, have undergone facial plastic surgery, have a history of skin cancer or any moles on your manual use.
2. For adult use only. Not intended for use by children, pets or toys.
3. Wipe gently with a damp cloth. Ensure the device is fully dry before storing or use.
4. Keep away from water & liquids. The **RED & INFRARED THERMAL BRUSH** is hot, humid, or damp areas.
5. Do not use if the **RED & INFRARED THERMAL BRUSH** malfunctions or is damaged in any way, stop using it immediately.
6. Do not use a heated hairbrush switched on and unattended when not in use.

IMPORTANT SAFETY INSTRUCTIONS WHEN USING ELECTRICAL APPLIANCES:

LIMITED TWO-YEAR WARRANTY

This STYLPRO® product guarantees that it complies with the requirements of the European Community Consumer Law: EU directive 1999/44/EC. This STYLPRO® product is guaranteed against defects in materials and workmanship for a period of two years from the date of purchase. This STYLPRO® product is also entitled to the statutory guarantee. STYLPRO® products are also entitled to have the goods repaired or replaced free of charge, or to receive a refund of the purchase price paid, or to receive a reduction of the purchase price paid, in the event of a MAJOR failure, STYLPRO® will repair or replace the product free of charge or refund the purchase price free of charge FOR TWENTY-FOUR MONTHS from the date of purchase. This does not affect your statutory rights. STYLPRO® MATERIALS. THIS WARRANTY IS AN ADDITIONAL GUARANTEE AND DOES NOT AFFECT YOUR STATUTORY RIGHTS. CHILDREN SHOULD BE SUPERVISED TO ENSURE THAT THEY DO NOT PLAY WITH THE APPLIANCE.
3. TO PROTECT AGAINST RISK OF ELECTRIC SHOCK, DO NOT IMMERSE CORD, PLUGS, OR APPLIANCE IN WATER OR OTHER LIQUID.
4. CLOSE SUPERVISION IS NECESSARY WHEN ANY APPLIANCE IS USED BY OR NEAR CHILDREN. THIS APPLIANCE IS SUPPLIED FITTED WITH A BS1363 MOULDED PLUG. IF THE FUSE IN THE PLUG HAS TO BE REMOVED FROM THE APPLIANCE PLEASE ENSURE THAT IT IS REPLACED WITH A 3AMP ASTA APPROVED FUSE TO BS1362. IF IN DOUBT CONSULT A QUALIFIED ELECTRICIAN OR ANY OTHER TYPE OF PLUG IS USED A 5A FUSE MUST BE FITTED.

(FR) GUIDE D'UTILISATION ET D'ENTRETIEN

AVERTISSEMENT : LA BROSSE À LISSER À LUMIÈRE ROUGE ET INFRAROUGE THERMIQUE STYLPRO® RED & INFRARED THERMAL BRUSH a été conçue pour vous offrir un lissage parfait. Pour des résultats optimaux, assurez-vous que les cheveux sont complètement secs avant d'utiliser la brosse à lisser à lumière rouge et infrarouge thermique STYLPRO®.

1. Avant l'utilisation, répartissez uniformément sur vos cheveux secs un produit coiffant thermique de votre choix.
2. En fonction de votre région, branchez le câble d'alimentation britannique ou européen sur la prise.
3. Appuyez longuement sur le bouton Marche/Arrêt pour allumer l'appareil.
4. Appuyez plusieurs fois sur le bouton de température pour augmenter la température. Commencez toujours par le réglage le plus bas.
5. Laissez l'appareil chauffer jusqu'à la température souhaitée.
6. Commencez le lissage en répartissant vos cheveux en mèches de faibles épaisseurs et placez la brosse près des racines et faites-la glisser doucement jusqu'aux pointes. Appliquez une légère tension et répétez l'opération autant de fois que nécessaire pour obtenir le résultat souhaité. Ne laissez pas la brosse à un seul endroit.
7. Pour une meilleure brillance, appliquez sur vos cheveux le produit coiffant de votre choix.
8. Appuyez longuement sur le bouton Marche/Arrêt pour éteindre l'appareil. Laissez-le refroidir avant de le ranger.

NETTOYAGE :

1. Assurez-vous que l'appareil est éteint et débranché avant de le nettoyer. Laissez la brosse refroidir complètement avant de la manipuler.
2. Retirez délicatement les mèches de cheveux éventuellement coincées dans les poils à l'aide d'un peigne ou de vos doigts. Veillez à ne pas endommager les mèches de cheveux coincées afin d'éviter d'endommager les poils.

INFORMATIONS DE SÉCURITÉ :

ATTENTION, RISQUE DE BRÛLURE ! Cet appareil est doté d'un cylindre chauffant et est destiné à coiffer les cheveux. Le cylindre chauffant et les pièces situées autour peuvent devenir très chauds ; vous devez éviter toute blessure, ne manipulez l'appareil que par la poignée et le bout et ne touchez pas le cylindre. Nous recommandons l'utilisation d'un gant résistant à la chaleur pour protéger votre main qui ne tient pas la brosse. Éteignez toujours l'appareil avant de le poser. Placez la brosse sur une surface résistante à la chaleur et veillez à ce que le cylindre ne soit pas à portée des enfants. Ne regardez pas directement le cylindre de l'appareil car les diodes électroluminescentes sont très puissantes et une grande partie de leur lumière n'est pas visible. N'utilisez pas l'appareil sur vos cheveux mouillés ou humides ou sur votre maquillage.

DIRECTIVES DE SÉCURITÉ :

AVERTISSEMENT : CET APPAREIL UTILISÉ QUE SUR DES CHEVEUX SECS. IL NE CONVIENT PAS AUX CHEVEUX MOUILLÉS OU HUMIDES.

1. Nous déconseillons l'utilisation de cet appareil si vous souffrez de plaies ouvertes ou de lésions de la peau, si vous avez subi une chirurgie esthétique au cours de la deux ou cours des 12 derniers mois, si vous avez un antécédent de cancer de la peau ou si vous avez un implant métallique ou si vous êtes porteur d'un stimulateur cardiaque ou d'un autre appareil électronique implanté.
2. Cet appareil est réservé à un usage domestique. Il ne convient pas à un usage professionnel.
3. Ne laissez pas les pièces électriques avec de l'eau ou d'autres liquides.
4. Ne laissez pas l'appareil allumé lorsque vous ne l'utilisez pas.
5. Ne laissez pas sur une surface résistante à la chaleur et non inflammable.
6. Ne laissez pas l'appareil sans surveillance.
7. Ne placez pas l'appareil sur des surfaces et matériaux inflammables.
8. Ne placez pas l'appareil sur un appareil et ne le plongez pas dans l'eau.
9. Ne lavez pas les pièces électriques avec de l'eau ou d'autres liquides.
10. Ne touchez pas directement la prise ou les interrupteurs de l'appareil avec des mains mouillées.
11. N'utilisez pas l'appareil dans la salle de bain ou à proximité d'un évier.
12. Ne tirez pas, ne portez pas et ne soulevez pas l'appareil par son câble d'alimentation.
13. Si le câble d'alimentation est endommagé, n'utilisez pas l'appareil.
14. Ne laissez pas tomber l'appareil par terre et ne l'utilisez pas s'il a été laissé tomber.
15. Ne placez pas l'appareil à proximité de surfaces chaudes.
16. Ne tentez pas d'ouvrir l'appareil pour le réparer, il ne comporte pas de pièces pouvant être entretenues par l'utilisateur.
17. Ne placez pas votre appareil dans des endroits chauds tels que :
Saunas, salles de vapeur ou fours.
18. Ne placez pas votre appareil à proximité de laque pour cheveux ou d'aérosols inflammables.
19. Si vous remarquez que les prises ne présentent pas de traces de brûlures, de bruits d'arc électrique ou de fumée, débranchez immédiatement l'appareil et contactez le service client STYLPRO® ou un centre de réparations agréé.
20. Ne laissez pas l'appareil allumé et sans surveillance.
21. Ne pas utiliser sur des cheveux mouillés.
22. Ne pas fixer dans l'eau ou l'eau ou laisser tomber dans l'eau.
23. Ne pas utiliser sur des cheveux mouillés.
24. Ne regardez pas directement dans la lumière.
25. Éteignez et débranchez toujours l'appareil lorsque vous ne l'utilisez pas.
26. Débranchez toujours l'appareil pendant le nettoyage et laissez-le refroidir avant de le nettoyer.
27. Cet appareil n'est pas conçu pour être actionné par un dispositif extérieur à la tension nominale.
28. Ne pas utiliser à l'extérieur.
29. Assurez-vous que la prise de l'appareil est correctement insérée dans la prise de courant.
30. Débranchez toujours l'appareil de la prise de courant avant de le déplacer.
31. Ne pas utiliser d'accessoires qui ne sont pas approuvés par l'ASTA. En cas de doute, consultez un électricien qualifié ou un agent de service.

INSTRUCTIONS D'UTILISATION:

AVERTISSEMENT : L'UTILISATION D'UN CUIR RÉSISTANT À LA CHALEUR (NON FOURNI) LORSQUE VOUS UTILISEZ LA BROSSE À LUMIÈRE ROUGE ET INFRAROUGE THERMIQUE BRUSH, POUR UNE PROTECTION SUPPLÉMENTAIRE. LE CUIR DOIT ÊTRE PORTÉ SUR LA MAIN QUI NE TIENT PAS LE MANCHE DE LA BROSSE À CHEVEUX.

AVERTISSEMENT : LES PRODUITS À LUMIÈRE ROUGE ET INFRAROUGE THERMIQUE NE SONT PAS DESTINÉS À DIAGNOSTIQUER, TRAITER, GUÉRIR OU PRÉVENIR UNE MALADIE. LES PRODUITS À LUMIÈRE ROUGE ET INFRAROUGE THERMIQUE NE SONT PAS DESTINÉS À AMÉLIORER LA SANTÉ, ILS SONT DESTINÉS À UNE UTILISATION DOMESTIQUE GÉNÉRALE.

CONSIGNES DE SÉCURITÉ IMPORTANTES : LORS DE L'UTILISATION D'APPAREILS ÉLECTRIQUES, TOUJOURS ÊTRE PRUDENT, IL CONVIENT DE TOUJOURS ÊTRE PRÉSENT Y COMPRIS LES SUIVANTS :

**LIRE TOUTES LES INSTRUCTIONS AVANT D'UTILISER L'APPAREIL. CET APPAREIL NE DOIT PAS ÊTRE UTILISÉ PAR LES ENFANTS, LES FEMMES ENCEINTES. LES PATIENTS PORTEURS D'UN PACEMAKER OU D'AUTRES STIMULATEURS CARDIAQUES OU SIMILAIRES. LES PERSONNES SOUFFRANT DE PROBLÈMES DE PEAU DE L'APPAREIL. CES LES SONT TRÈS PUISSANTES ET PEUVENT ENDOMMAGER LES YEUX. NE PAS REGARDER DIRECTEMENT LES DIODES ÉLECTROLUMINESCENTES. L'UTILISATION CAUSE PEUT ÊTRE EXTRÊMEMENT DANGEREUSE. LES DIODES ÉLECTROLUMINESCENTES ÉMETTENT DE LA LUMIÈRE INVISIBLE QUI PEUT ÊTRE EXTRÊMEMENT DANGEREUSE. NE PAS UTILISER SUR DES CHEVEUX MOUILLÉS OU HUMIDES
